

# 2019 Burning Tree Junior Golf Program

The Golf Shop is proud to introduce the Junior Golf program for 2019. **The program is open to current member's children and grandchildren between the ages of 8 to 17.** We have an exciting year planned for the program this season with different approaches so each child can get the most out of the program regardless of their skill level. Whether beginner or an experienced player, your child will learn more than just how to swing the club. By taking a focus on the rules of the game and the proper etiquette, we will build a strong foundation that will stay with them throughout their golf career.

The cost of the program this season is **\$110 per child** which includes clinics, favor, prizes, banquet, the Junior Club Championship and the Parent/Junior Tournament. Please fill out and send in your registration form, your member account will be billed for each participating junior. If you are interested in having a set of clubs or other merchandise ready for the first week of the program please contact the golf shop (586) 463-3661 or [golfpro@burningtregolf.com](mailto:golfpro@burningtregolf.com) to take advantage of member discounts. Please stress to your junior golfer the importance of following the dress code. All players including the parents must be appropriately dressed, shirts tucked in, hats in the forward position, & no denim of any sort. Refer to the handbook for dress code rules.

The program will be limited to 100 players. Family memberships and previous participants are given priority. Other players will be accepted if there is room. Fill out the bottom portion and return to the golf shop.
